

Beulah Road

at Mason Woods Spot Safety Improvement:

The county was successful in obtaining federal safety funds to improve the curve in the vicinity of Mason Woods Subdivision. The project is expected to be under construction in Summer 2008. VDOT is managing this project.

CHESTERFIELD COUNTY

Beulah HES

Working toward Jan. '08 adv.

Actually, two HES projects combined, E/B & W/B.

Benefit cost ratio good, 3.38 E/B, 1.59 W/B.

Coordinate with \$4 million Nov. '06 Bond project for shoulder improvements from Salem to Hopkins with construction in spring '07.

Major sight distance problems at the curve at Mason Wood Subdivision due to very steep cut "cliff".

Can't touch the creek with safety money.

Possible nearby rezoning.
